The BELONG Project Video

BELONG (FootBall Employed to facilitate the integration of adolescent refugees) is a European project aimed at fostering social integration of refugee adolescents in their communities through educational and sport activities. The project involves one football expert (Federazione Italiana Giuoco Calcio - FIGC), three NGOs including, Solidarietà Caritas Onlus Florence, Consorzio Gruppo CEIS Modena, Il Ponte Centro Di Solidarietà Civitavecchia as well as the University of Modena and Reggio Emilia (UNIMORE, Italy) as an academic partner. The project is also supported by UEFA.

As part of the communication and dissemination work included in the BELONG project, a professional video was produced to promote the project. The video has the important aim of introducing the project's overall key messages, mainly focusing on the importance of integrating refugees within society, and underscoring the key role played by sport in social integration.
